

## INSTRUCTION FOR APPLICANTS FOR THE REGISTRATION OF MANUFACTURERS OF MEDICAL DEVICES THAT DO NOT THEIR HAVE SEAT/RESIDENCE IN MONTENEGRO

---

Applicant shall submit the application and documentation prescribed by this Instruction to the Registry Office of the Institute on working days in the period from 09:00 to 12:00 AM.

If the application and documentation are submitted in electronic form, i.e. in the form of an electronic document in accordance with the Law, they can be submitted on a CD or by e-mail [pisarnica@cinmed.me](mailto:pisarnica@cinmed.me). Please note that in this case, the documents to be signed by the applicant shall be signed with an electronic signature.

Applicant is responsible for the credibility of the documentation in the procedure of registration/ amendment to registration/removal from the register of manufacturers that do not have seat/residence in Montenegro.

The following documentation shall be submitted for the registration of manufacturers of medical devices that do not have their seat/residence in Montenegro in accordance with the Law on Medical Devices ("Official Gazette of Montenegro", No 24/19):

1. **Letter-headed application (cover letter)** - original in the form of an electronic document (electronically signed) or in paper. The original document in paper form shall be hand-signed and certified with a seal of the applicant.  
Cover letter shall contain the following:
  - a. data on the applicant (name and seat of the legal person)
  - b. subject of the application
2. **Completed Application form for registration/amendment to registration/removal from the register of manufacturers that do not have seat/residence in Montenegro, along with statements** (Form is available on CInMED portal in the section Medical devices – Manufacturing) - original in the form of an electronic document (electronically signed) or in paper. The original document in paper form shall be hand-signed and certified with the seal of the applicant.
3. **Applicant's contract with the foreign manufacturer of products which the application is submitted for, or the authorization of the applicant given by mentioned manufacturer** - original in the form of an electronic document (electronically signed) or in paper, in Montenegrin (or in one of the languages that are in official use in Montenegro) or in English language. The original document in paper form shall be hand-signed and certified with the seal of the applicant. If a copy of the original document is submitted in paper form, it must be notarised in accordance with the Law.
4. **Documentation for responsible persons of the authorized representative for the procedure of registration and vigilance of medical devices** - original in the form of an electronic document (electronically signed) or in paper. If a copy of the original document is submitted in paper form, it must be notarised in accordance with the Law.
  - evidence on professional qualifications – *health or technical faculties depending on type of a medical device*
