

Snežana Mugoša, MD, MSc, PhD, spec.

*Managing Director of the Institute for Medicines
and Medical Devices
Assistant Professor at the Medical Faculty,
University of Montenegro
Specialist in Internal Medicine
Subspecialist in Clinical Pharmacology and
Pharmacotherapy*

Personal information

- Date of birth: 14.02.1979.
- Place of birth: Nikšić, Montenegro
- Email address: snezana.mugosa@cinmed.me

Working experience

- **Institute for Medicines and Medical Devices of Montenegro – CInMED**

Managing director	2022 –
Deputy managing director	2021 – 2022.
Head of the Department for Clinical Trials and Medicines Safety and Efficacy Assessment in the Sector for Medicines and Medical Devices	2012 – 2022.
- **CLINICAL RESEARCH ACADEMY (CRA), Belgrade**

Lecturer	2013 –
----------	--------
- **Medical Faculty University of Montenegro**

Assistant Professor:	2021 –
Clinical Pharmacy and Pharmacotherapy Pharmacological group of medical subjects	
Teaching Associate for the pharmacological group of subjects	2004 – 2021.
- **Centre for Cardiology, Clinical Centre of Montenegro**

Internal medicine specialist	2011 – 2012.
Internal medicine resident	2006 – 2011.
- **Health Centre Podgorica, Institute for Emergency Medical Aid**

Internship doctor	2004 – 2005.
-------------------	--------------

Education

- **Subspecialisation**, Faculty of Medicine, University of Belgrade – Pharmacology and Pharmacotherapy (1 year), defended in 2025 (grade A)
- **Doctoral studies**, Medical faculty in Podgorica (3 years), doctoral dissertation in Clinical Pharmacology and Therapy - "Analysis of risk factors for adverse reactions to medicines in cardiac patients", defended in 2015 (grade A)
- **Specialisation**, Faculty of medicine, University of Belgrade – Internal Medicine (4 years), specialist exam passed in 2011 (grade "excellent 5")
- **Master studies**, Faculty of medicine, University of Belgrade – Department of Clinical Pharmacology and Therapy (2 years), master's thesis – "Intensive monitoring of adverse reactions to medicines in hospitalized patients in the cardiology department: pilot project", defended at the Medical faculty in Podgorica in 2009 (grade A)
- **Medical faculty** in Podgorica, 2004. (average grade 9.69 – the highest in the generation)
- **High school** „Stojan Cerović“, Nikšić (the best student of the generation)
- **Elementary school** „Olga Golović“, Nikšić (the best student of the generation)

Other skills

- Advanced knowledge of English (C1)
- Basic knowledge of Russian
- Basic knowledge of Italian
- Advanced level of computer skills - ECDL certificate (*European Computer Driving Licence*)

Trainings

- Expert with many years of experience in professional and management jobs in the field of regulation of medicines and medical devices
- Numerous trainings and courses in the field of clinical trials of medicines and medical devices, good clinical practice in clinical trials of medicines and medical devices, as well as assessment of efficacy and safety of medicines and medical devices, organized by regulatory authorities in the region and the European Medicines Agency
- Inspector of Good Clinical Practice certified by the European Medicines Agency
- Good practice in clinical trials of medical devices – application of ISO 14155
- Courses in the field of performing experiments on experimental animals at the Faculty of medicine of the University of Belgrade, organized by the Centre for Continuing Education
- Passed the professional exam for working in state authorities

Other activities

- **Scientific and research work**, primarily in the fields of clinical pharmacology, pharmacotherapy, pharmacovigilance, pharmacoepidemiology, and pharmacogenetics, with a special focus on adverse drug reactions and their connection to genetic factors, clinical trials, and the consumption of drugs and medical devices
- **Lecturer at the Clinical Research Associate (CRA) Academy** in Belgrade in the field of drug and medical device regulation, as well as at all conferences and courses organized by the CRA Academy

- **Membership in international associations:** European Association for Clinical Pharmacology and Therapy (EACPT), Association of Clinical Research Professionals (ACRP), Clinical Trial Advancement Society of Serbia (KLINIS), working group Good Clinical Practice Inspectors Working Group in the European Medicines Agency (GCP-IWG) during the IPA project, International Society for Pharmacoepidemiology (ISPOR), International Society of Pharmacovigilance (ISoP)
- **Projects:**
Member of the Board of Directors and researcher in the international scientific project COST Action CA18217: European Network for Optimization of Veterinary Antimicrobial Treatment (ENOVAT), 2019-2023
Leader of the Erasmus+ project Development and Implementation of Metacognitive Problem-Based Modules in Blended Learning Courses in Medical Sciences, 2023 - present.
Member of the Board of Directors in the international scientific project COST Action CA23154: Environmental Impact of Anthelmintics in Livestock and Alternatives to Minimize Their Use (ENVIRANT), 2024 - present
Leader of the EU Twinning project with the Croatian Agency for Medicinal Products and Medical Devices (HALMED) titled Support to the Medicines and Medical Devices Agency of Montenegro, 2021-2022
Researcher in the project Analysis of Risk Factors for the Occurrence of Adverse Drug Reactions in Cardiological Patients, 2013-2015
- **Reviewer activity:** Scripta Medica, Frontiers in Pharmacology, Serbian Journal of Anesthesia and Intensive Therapy (SJAiT)
- **Expert editor** for the preparation of the Montenegrin version of the EU acquis, appointed by the Office for European Integration
