RULEBOOK
ON THE FORM, CONTENT AND METHOD OF SUBMITTING PRECURSOR PRE-EXPORT NOTIFICATION*

(“Official Gazette of Montenegro”, No. 22/2026 of 20 February 2026, 147/26 of 8 October 2026)

Article 1

This Rulebook lays down the form and content, and the method of submitting the precursor pre-export notification, which is submitted by the state administration authority responsible for health affairs, or the Institute for Medicines and Medical Devices, to the competent authority of the country into whose territory the precursor is imported, before issuing a precursor export licence.

Article 2

The expressions used in this Rulebook shall have the following meanings:

1) exporter means any legal or natural person responsible for precursor export activities and who lodges the customs declaration or on whose behalf the customs declaration is lodged;

2) **pre-export notification** (PEN online) means a system designed for national authorities dealing with exports and imports to monitor and verify the legitimacy of individual shipments in international trade in such precursors, identify suspicious transactions and prevent their diversion into illicit channels.

Article 3

Precursor pre-export notification shall be printed on an A4 format form, in Montenegrin and English.

The form referred to in paragraph 1 of this Article shall form an integral part of this Rulebook.

Article 4

Precursor pre-export notification shall be submitted via an electronic system to the competent authority of the country into whose territory the precursor is imported.

Article 5

The Rulebook on the Form, Content and Method of Submitting Precursor Export Notification (Official Gazette of Montenegro, No. 4/15) shall be repealed as of the date of entry into force of this Rulebook.

Article 6

This Rulebook shall enter into force on the day of its publication in the Official Gazette of Montenegro.
